## NOTES

No stations, just power point then walk schedule

~~If we let 6<sup>th</sup> grade meet the teacher at flight school then we could just have 7/8 come and go open house.~~

Very crowded in the cafeteria – start in the gym.

Power point was toooo long – people stopped listening. Just go over what they need to know for 1<sup>st</sup> day/week.

Schedule pick up in café was good. Divide alpha into 5 or 6 tables.

~~Make IDs if time allows.~~ Elementary took ID pics. ID's weren't made the year before by elementaries so couldn't distribute them. Time does not allow.
